SAMPLE - NOT A REAL ORDINANCE

[SAMPLE] Kautusang Pambarangay Blg. 06-2026: Pagbabawal sa Pagsusunog ng Basura

HALIMBAWANG ORDINANSA LAMANG, HINDI TUNAY.

Alinsunod sa Batas Republika Blg. 9003, bawal ang pagsusunog ng basura, tuyong dahon at plastik sa bukas na lugar. Mas mapanganib ito ngayong tag-init dahil sa El Ni~no, kung kailan madaling kumalat ang sunog. Dapat ihiwalay ang nabubulok at hindi nabubulok na basura at ilabas lamang sa araw ng pangongolekta.

SAMPLE ORDINANCE ONLY, NOT REAL.

In line with Republic Act No. 9003, burning trash, dry leaves and plastic in the open is prohibited. This is even more dangerous during the El Ni~no dry season, when fires spread easily. Biodegradable and non-biodegradable waste must be separated and put out only on collection day.
